JEAN-BAPTISTE COMBY

IMPACT (International Media, Political Action & Communication Technologies)

Biography
Jean-Baptiste Comby is a sociologist, researcher at the Centre d’Analyse et de Recherche Interdisciplinaire sur les Médias (CARISM) as well as the Centre Nantais de Sociologie (CENS), and lecturer at Institut Français de Presse (Paris 2 University).

He recently published in French The Climate Question: Genesis and Depoliticization of a Public Problem (2015) and has published several scientific articles in reviews such as Journalism Studies and the European Journal of Communication.
